

Speaking Topics

Most of my topics center on Texas and American History. The research I have completed through my novels has given me a plethora of information about little known events. One topic I speak on that is quite popular is “The Wainwright Family & the Battle of Galveston.”

The “Newsletter” page of my website has many newsletters, each one of them is a topic I can speak on. If there is a request for a specific topic, I can either produce it from my newsletter or create it for the speaking engagement.

There is no charge for my speaking, but I ask for permission to sell my books at the end of the event.
